※ The results of this check are for the mobile phone used for verification.

The results are not guaranteed for all mobile phone models of the same model number.

※ The mobile phone models listed have been tested under certain conditions by November 2025.

Depending on the type of mobile phone, specifications may be changed after operation is confirmed, and the information in the list may be changed.

Please note that communication and some functions may not work.

※ The results of this confirmation are especially related to the operation of the interface for the mobile phone of Navi, and do not evaluate or guarantee the call quality, data communication ability, etc.

※ Please note that as of November 2025, mobile phone types that have not been surveyed or whose operation has not been confirmed are not listed.

※ In the table, mobile phone models marked with "○*" may not function properly depending on the mobile phone settings.

※ In the table, mobile phone models marked with "△" some functions cannot be used.

※ In the table, mobile phone models with the "x" function cannot be used.

※ In the table, mobile phone models marked with "-" do not support the corresponding functions.
